Any shareholder who is eligible to attend the virtual Annual General Meeting in accordance with COVID-19-GesG and COVID-19-GesV and who has demonstrated this to the Company in accordance with the provisions of item IV in this invitation, has the right to appoint a special proxy.

In accordance with Section 3, para. 4, COVID-19-GesV, only one of the special proxies – whose costs shall be borne by the Company - can file motions, cast votes and raise objections during the virtual Annual General Meeting of S IMMO AG on **14 October 2021**.

Each shareholder may choose one of the individuals named above as his or her special proxy and grant that person power of attorney.

Section 3, para. 4, of the COVID-19-GesV prohibits powers of attorney from being granted to a different individual.

To simplify the staging of the Annual General Meeting, shareholders are requested to limit communications with their respectively chosen proxies to **requesting the filing of motions, casting of votes and the raising of objections**. By contrast, shareholders themselves may also exercise their right to information during the virtual Annual General Meeting by means of electronic communication by sending questions directly to the Management Board via e-mail in accordance with item VI, subitem 4.

Shareholders are advised to contact their authorised special proxy in advance if the authorised special proxy is being given instructions on the filing of motions, casting of votes or raising of objections concerning one or more items on the agenda during the virtual Annual General Meeting. During the Annual General Meeting, communication with the proxies will be possible only via e-mail at the e-mail address provided above for each special proxy.

To verify the shareholder's identity, in particular during the Annual General Meeting, the designated field on the form granting power of attorney must indicate the e-mail address that will be used to send questions and issue instructions to the special proxy. Furthermore, the signature of the shareholder confirms that only he or she will have access to the e-mail address provided there.

32nd Annual General Meeting

Vienna, 14 October 2021

A proxy form for granting power of attorney to the special proxies will be available on the Company's **website** at www.simmoag.at/agm from 23 September 2021 at the latest. Shareholders are asked to use this form for granting power of attorney. Please read the form granting power of attorney carefully.

In your own interest, **powers of attorney should be received** by your proxy at the corresponding e-mail address given below **no later than 4:00 p.m. on 12 October 2021**:

- (i) art.simmoag@hauptversammlung.at
- (ii) gall.simmoag@hauptversammlung.at
- (iii) oberhammer.simmoag@hauptversammlung.at
- (iv) wilfling.simmoag@hauptversammlung.at

This method of submission gives your chosen and authorised special proxy – not one of the other proxies – direct access to the power of attorney.

Handing the power of attorney to the special proxy in person at the meeting venue is expressly prohibited in order to ensure effectiveness of the special measures put in place because of COVID-19.

In addition to submitting the form to the e-mail addresses above, only the following methods of communication and addresses are available for submitting powers of attorney:

By post or courier:	S IMMO AG c/o HV-Veranstaltungsservice GmbH 8242 St. Lorenzen am Wechsel, Köppel 60
By fax:	+43 (0)1 8900 500 - 85
Via SWIFT:	GIBAATWGGMS (Message Type MT598 or MT599, text must include "ISIN AT0000652250")

The appointment of a special proxy is only valid using the form available for download on the Company's website. The details of the power of attorney, in particular the text form and the content of the power of attorney, can be found in the power of attorney form made available to shareholders.

When **authorising another person**, it must be ensured by means of an **effective chain of authorisation** (sub-authorisation) that one of the four special proxies is authorised to exercise voting rights, the right to file motions and the right to make objections at the Annual General Meeting itself. In accordance with Section 3, para. 4, COVID-19-GesV, it is not possible to authorise a person other than the four special proxies to exercise these rights at the Annual General Meeting. However, it is **permitted**

!!! This is a working translation from the German version and for convenience only. Only the German version shall be legally binding!!!

to **authorise other persons to exercise** other rights, including in particular the **right to request information and the right to speak**.

The above provisions regarding the granting of power of attorney apply accordingly to revoking power of attorney. A form for doing so is also available on the Company's website, the use of which is mandatory if a shareholder wishes to revoke a power of attorney.

The special proxies will exercise voting rights, the right to file motions and the right to make objections only as instructed. If the proxy does not have instructions for a specific resolution, the proxy will abstain. The proxy will also abstain from resolutions for which unclear instructions were issued (e.g. FOR and AGAINST the same resolution at the same time).

Shareholders are requested to issue their instructions to their chosen proxy using the appropriate Section of the form for granting power of attorney, which will be available for download from the Company's website at www.simmoag.at/agm from **23 September 2021** at the latest.

Instructions can be issued together with the power of attorney or also at a later date. Instructions to exercise voting rights, the right to file motions and the right to make objections can be issued before or **during the Annual General Meeting until the time determined** by the Chairwoman. Until such time, shareholders can amend instructions already issued or issue new instructions.

3. Information as defined by Section 110, para. 2, sentence 2 in conjunction with Section 86, para. 7 and para. 9, AktG

Under agenda item 6, "Elections of up to four persons to the Supervisory Board" and any submission of a relevant nomination by shareholders in accordance with Section 110 AktG, the company makes the following disclosures:

The Annual General Meeting of 12 October 2020 neither resolved to extend mandates nor elected other persons to the Supervisory Board. Of the four capital representatives, two are men and two are women.

Pursuant to Section 110 ArbVG (Arbeitsverfassungsgesetz), two members – a female and a male employee - were delegated to the supervisory board by the works council.

It is announced that an objection pursuant to Section 86 para 9 AktG was raised neither by the majority of the capital representatives nor by the majority of the employee representatives and that therefore the minimum shareholding requirement pursuant to Section 86 para 7 AktG will not be fulfilled separately but in its entirety.

Section 8, para. 1, of the Articles of Incorporation of S IMMO AG specifies that the Supervisory Board shall be comprised of up to ten members elected by the Annual General Meeting.

In the event that nominations are submitted by shareholders in accordance with Section 110 AktG under agenda item 6, "Election of up to four persons to the Supervisory Board", it must be ensured that, in the event that the number of Supervisory Board members to be elected by the Annual General Meeting is eight, at least three women must be members of the Supervisory Board.

As the Supervisory Board already has three women members, the minimum shareholding requirement pursuant to Section 86 para 7 AktG will in any case also be met after the election at the Annual General Meeting on 14 October 2021.

!!! This is a working translation from the German version and for convenience only. Only the German version shall be legally binding!!!

4. Shareholders' right to information in accordance with Section 118 AktG

At the Annual General Meeting, upon request, each shareholder shall be provided with information regarding the Company's affairs to the extent that such information is necessary to permit a proper evaluation of the relevant item on the agenda. The right to information also extends to the Company's legal relationships to an affiliated company as well as to the position of the Group and the companies included in the consolidated financial statements.

The information may be refused if, according to reasonable business judgement, it could cause significant harm to the Company or an affiliated company or its disclosure would constitute a criminal offence.

A prerequisite for the exercise of the shareholders' right to information is the proof of entitlement to attend (item IV. of the convocation) and the granting of a corresponding power of attorney to the special proxy (item V. of the convocation).

The **right to request information and the right to speak** can be exercised **by an e-mail** sent to the e-mail address created for this purpose, fragen.simmoag@hauptversammlung.at. Please use the **question form**, which will be available for download from the Company's website at www.simmoag.at/agm from **23 September 2021** at the latest, and attach the completed and signed form to your e-mail.

If you send your questions or speeches **without using the question form**, the **identity of the shareholder** (name/company, date of birth/shareholder's commercial register number) must be **stated**. The end of the statement must be clearly identified by a **reproduction of the shareholders' signature** or by other means, for example by stating the name of the shareholder/company (Section 13, para. 2, AktG). To enable the Company to ascertain the shareholder's identity and consistency with the safe custody receipt, please **also** state your **custody account number** in your e-mail in such event.

If the right to request information/right to speak is exercised by a proxy, proof of power of attorney must also be provided in written or electronic form.

Shareholders are **asked to send their questions in advance before the Annual General Meeting in written or electronic form by e-mail to fragen.simmoag@hauptversammlung.at** in time to reach the Company at the latest on the 3rd working day before the Annual General Meeting, which is **11 October 2021**. By doing so, you will enable the Management Board to prepare their exact responses to the questions you submit and deliver them as quickly as possible.

This will enable the Management Board to prepare its answers as accurately as possible and to answer your questions as quickly as possible.

!!! This is a working translation from the German version and for convenience only. Only the German version shall be legally binding!!!

Shareholders can also send their questions and statements to the Company **during the Annual General Meeting**, exclusively in written form by e-mail sent directly to fragen.simmoag@hauptversammlung.at. Please note that the **Chairwoman can set appropriate time limits for questions and statements during the Annual General Meeting**.

The **requirement for exercising a shareholder's right to request information** is **proof of eligibility** in accordance with Section IV of this invitation.

5. Motions from shareholders in the Annual General Meeting in accordance with Section 119 AktG

Each shareholder has the right (regardless of their specific share ownership) to submit motions on any item on the agenda through his or her special proxy at the virtual Annual General Meeting pursuant to the COVID-19-GesG and the COVID-19-GesV.

Motions, however, may be submitted only to the proxy authorised by the shareholder and filed by said proxy.

The point in time until which instructions for the submission of motions to the special proxy will be possible shall be determined by the Chairwoman in the course of the virtual General Meeting.

The **requirement** for doing so is **proof of eligibility to attend** in accordance with item IV. of this invitation **and** the granting of a corresponding **power of attorney to the special proxy** in accordance with item V. of this invitation.

A shareholder's motion for the election of a member of the Supervisory Board requires the timely submission of a nomination in accordance with Section 110 AktG. Only shareholders whose shares collectively amount to 1% of the share capital can nominate people for election to the Supervisory Board (agenda item 6). These nominations must be received by the Company no later than **5 October 2021** as described above (item VI. Section 2). According to Section 87, para. 2, AktG, each nomination must include a declaration by the nominated person with information on their professional qualifications, their professional or comparable roles and any circumstances which could give rise to concerns regarding impartiality.

Otherwise, the shareholder motion for the election of a member of the Supervisory Board may not be taken into account during the vote.

Please refer to the information in item VI, para. 3, with regard to the information pursuant to Section 110, para. 2, sentence 2, in conjunction with Section 86, para. 7 and para. 9, AktG.

!!! This is a working translation from the German version and for convenience only. Only the German version shall be legally binding!!!

If legal claims are made by shareholders against S IMMO AG or vice versa by S IMMO AG against shareholders, the storage of personal data shall serve to **clarify and enforce claims** in individual cases. In connection with legal proceedings brought before civil courts, this may lead to the storage of data during the period of limitation plus the duration of the legal proceedings until its final legal termination.

Every shareholder has the **right of access, right to rectification, erasure ('right to be forgotten'), restriction of processing, and the right to object** at any time regarding the processing of personal data as well as the **right to data portability** in accordance with Chapter III of the GDPR.
