

VLADISLAV JIRKA, PH.D.

PROFILE:

Vladislav Jirka is an independent attorney with extensive legal experience. Vladislav provides comprehensive legal services (commercial law, civil law, administrative law) mainly to the commercial companies and their management, including the companies with foreign ownership (e.g. the Federal Republic of Germany). Vladislav primarily offers legal services in the healthcare sector and in the real estate and construction sector. Vladislav also specializes in litigation and arbitration. In this field, he has represented Czech and foreign clients in various litigation and arbitration proceedings, serving both as claimants and defendants.
